

## Poster Award

At the occasion of The 4th Asian Conference on Plant Pathology and the 18th Biennial Australasian Plant Pathology Conference, in Darwin, 26-29th April 2011,

**Ismail Ahmad Ismail,**  
PhD candidate  
GN15, Main Building, Waite Campus  
School of Agriculture, Food and Wine  
The University of Adelaide  
Glen Osmond SA 5064, South Australia

has won a student award for his poster presentation entitled "**Are aggressiveness and proteinaceous toxin production related in *Pyrenophora teres f. teres?***". This award is one of three awards for the best posters among more than 130 posters from more than 30 countries were presented at this event (the total delegates were around 350).

This prize was awarded by The Australasian Plant Pathology Society and the Asian Association of Societies for Plant Pathology.

Congratulation for Ismail for this achievement we wish him more success in his research to serve his country Iraq in the future.
