

Dear Sir/Madam,

GRM International Pty Ltd, a global project management consultancy is seeking applications from highly qualified candidates with current or recent experience in agriculture for the below positions with the Abu Dhabi Farmers' Services Centre (United Arab Emirates).

Background

The Abu Dhabi Farmers' Service Centre (ADFSC) is an Abu Dhabi government initiative implemented to facilitate a change in the way agriculture and agribusiness are conducted in the Western Region of the Abu Dhabi Emirate. This encompasses the entire spectrum from on-farm production to retail sales.

The broader objective being to move agriculture from a government supported sector to a more market based sector.

To do this end the Abu Dhabi Government has contracted GRM International to facilitate the formation of the Abu Dhabi Farmers' Service Centre with a view to have a fully functioning, locally managed organisation by 2014.

Current Opportunities include:

Head Date Palm Management Unit - Salary to be negotiated

Language skills in English (essential), and Arabic or Urdu or Bengali (preferred)

Packhouse Manager - Salary to be negotiated

Language skills in English (essential), and Arabic or Urdu or Bengali (preferred)

Contract Farm Manager - Expected salary range for this position is up to AED 22,500 per month plus benefits.

Language skills in English (essential), and Arabic or Urdu or Bengali (preferred)
